

# Security and Private Detective Services

## PRIVATE INVESTIGATIONS

Each investigation is unique. We offer domestic surveillance, civil and criminal investigation, insurance/workman's compensation investigation, and other services.

Our company performs research for various types of investigations including finding missing persons. Our clients can be businesses, private citizens, or attorneys. Essential job responsibilities of a Private Investigator include researching legal records, doing background checks, collecting the information needed to solve a case, conducting interviews, presenting evidence in court, conducting surveillance, reporting findings to clients, and investigating computer crimes.

## SECURITY SERVICES

Our armed and unarmed services include but not limited to:

- Protection of persons and/or property from harm, theft, and/or unlawful activity;
- Deterrence, observation, detection, and/or reporting unlawful or unauthorized activity;
- Response to, but not installation or service of, a security system alarm.

We also offer motor teams to patrol business and development properties to ensure the security and safety of your sites.

## EXECUTIVE PROTECTION (BODYGUARDING)

We offer bodyguarding, high end executive protection, individual event protection and escort, and other services.

Our highly trained experienced officers can be in plain clothes, suit and tie, security polo, or full tactical gear. We let our clients decide which uniform is best for them pending the operation at hand. All officers will be armed at all times with lethal and less lethal weapons.

We can provide a transport vehicle or travel with the client in their own vehicle as required.

Multi-day and overnight details are services we offer.

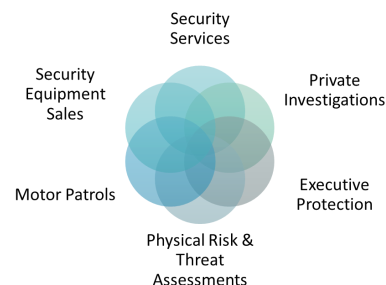

## PHYSICAL RISK & THREAT ASSESSMENTS

This on-site systematic process of identifying and evaluating the potential threats and vulnerabilities that could affect your facility and its assets. Our evaluation is done by a professional that has been certified in (CPTED) Crime Prevention Through Environmental Design. This will help you prioritize and implement the appropriate security measures to protect your people, property, and information.

Our company only hires highly trained and qualified officers. All officers are retired and/or active Federal, State, Local, and Military officers.
